This is our second year of combining these major events. The **Players' Championship** is its 46th edition, while the **Women's Match Play Championship** is 32nd version. It will be fun and exciting to see the best men and women players competing on the same course under the same conditions.

Here is some important information you need to know in advance of the event. But, if we have missed something or you have other questions, please do not hesitate to contact me.

Championship Format – Men – This is a 64 player, single elimination, match play event with Round 1 matches on Monday morning.

Championship Format – Women – A stroke play qualifying on Monday afternoon will determine the seeding for Match Play. The top players will be placed in the Championship Flight while the others will be in the First Flight. Once in flights, it is a single elimination event that begins Tuesday morning.

Championship Fee – The men that qualify pay an additional Championship Fee of \$60. You either will be promoted and charged or sent an electronic invoice from which you may pay the fee.

Seeding – Players' – Players will be seeded as indicated on the Exempt Player list and then as follows. (NOTE: "Qualifying Score Differential" = score minus course rating)
