CHAMPIONSHIP DRAW: The MGA Tournament Committee will assign the Defending Champion (Jim Lehman) as the #1 Seed. The next six seeds (2-7) will come from the entered Exempt Players according to their standing on the 2019 Player of the Year points list (in the event of a tie, there will be a blind draw for seeded positions). Then the MGA Senior Amateur champions from the past two years, if not otherwise exempt, are seeded 8 & 9. The Host Club Exemption will be seeded 32nd. Next, the medalist from each of the sectional qualifying sites will be seeded according to his differential during the qualifying round. In the event of co-medalists from a site(s), they will be grouped together and seeded in order of time of finish in the qualifying round. The balance of the qualifiers will be seeded based on the ranking of their differential (in the qualifying round) from lowest to highest. (NOTE: **Score - Course Rating = Differential.**)
